NovaTech Industries Ltd. - Annual Report FY2026 (Excerpt)

Chairman's Message:

FY2026 was a landmark year for NovaTech Industries. The company generated revenue of Rs. 850 crore, up 18% year-on-year, driven by strong demand in our core manufacturing and digital services segments. Operating margins improved on the back of cost discipline and operational efficiency initiatives.

Business Highlights:

- Revenue grew 18% to Rs. 850 crore
- Net profit grew 12% to Rs. 105 crore
- Expanded into two new international markets
- Total debt increased 7% to fund capacity expansion

Risk Factors:

- Foreign exchange volatility
- Rising raw material costs
- Increasing competition in the digital services segment

Outlook:

The management expects continued double-digit revenue growth in FY2027, supported by new product launches and capacity expansion.
